Sanskriti Gorakhpur & Ahmednagar

TVS-E in its effort to reach every part of the country organizes a countrywide road show named 'Sanskriti'. The show covers the length and breadth of the country covering even the remotest part.

Apart from displaying the complete range of products to the public, the event also consists of live demo for RSPs and customers and detailed discussion about the various other opportunities to promote and sell our products.

Two such Sanskriti roadshows were conducted this year – at Gorakhpur, UP on 5th January, 2011 and Ahmednagar, Maharashtra on 17th February, 2011
